Mr. Barns

Owns a bagel shop that he and his wife opened 40 years ago. He is a fun person to be around and always has a smile and a joke. He is always looking for other business to invest in and help get started. He has helped a dozen people set up new shops threw out the Greater Vancouver Area. He is planning on running for a place on the city council the next election cycle.

Mr. Rademacher,

Has retired after working as a car mechanic. After retirement he found that he couldn't be still anymore so he set up his own auto repair business. He is amazing at networking and knows just about everyone in town. When you need a car fixed, he is the cheapest person to go to and has been known to fix cars for free when people were in need. He repairs auction cars and resales them for extra money at a low cost.

Mr. Fultz,

Has a computer programing business. If you need something programed doesn't matter what he is the guy to see. He has a dozen employee's that are highly skilled. Some of the most reascent accomplishment were the new voting machines for Quebec, and the new silver alert messaging system. He was also key in setting up the servers for some of the local nonprofit agencies in town. He is always looking for new work.
